The rhythm of the city is music, every corner has a story, every window is a kaleidoscope, and a whole world of possibilities awaits a girl stepping out of her apartment—that's **HELL'S KITCHEN**, a new musical created by 15-time Grammy Award winner **Alicia Keys**. Featuring her new original songs and iconic anthems in a story inspired by her own New York experience, this is the kind of Broadway musical of which dreams are made.

In the mid 90's, in a cramped apartment high above the energy and grit of Manhattan's Hell's Kitchen neighborhood, 17-year-old Ali is desperate to get her piece of the New York dream. Despite her protective mother's warnings, the symphony of the street summons her—promising freedom, excitement and the possibility of love. When a wise piano teacher helps her discover her voice, Ali learns she can make the city her own.

Don't miss this exhilarating, joyful, coming-of-age story filled with determination about chasing your dreams, honoring your roots and identity, and finding your voice. Directed by four-time Tony Award® nominee Michael Greif (*Dear Evan Hansen*; *Rent*), with choreography by Tony nominee Camille A. Brown and a book by Pulitzer Prize finalist Kristoffer Diaz, **HELL'S KITCHEN** is about to make Broadway feel brand new.

**“Beautiful and heartbreaking, A sparkling story
with iconic music and absolute powerhouse vocals.
This show feels like watching a glorious tapestry come together.”**
